

Report Purpose:

CCTV

Author

Town Clerk

Update

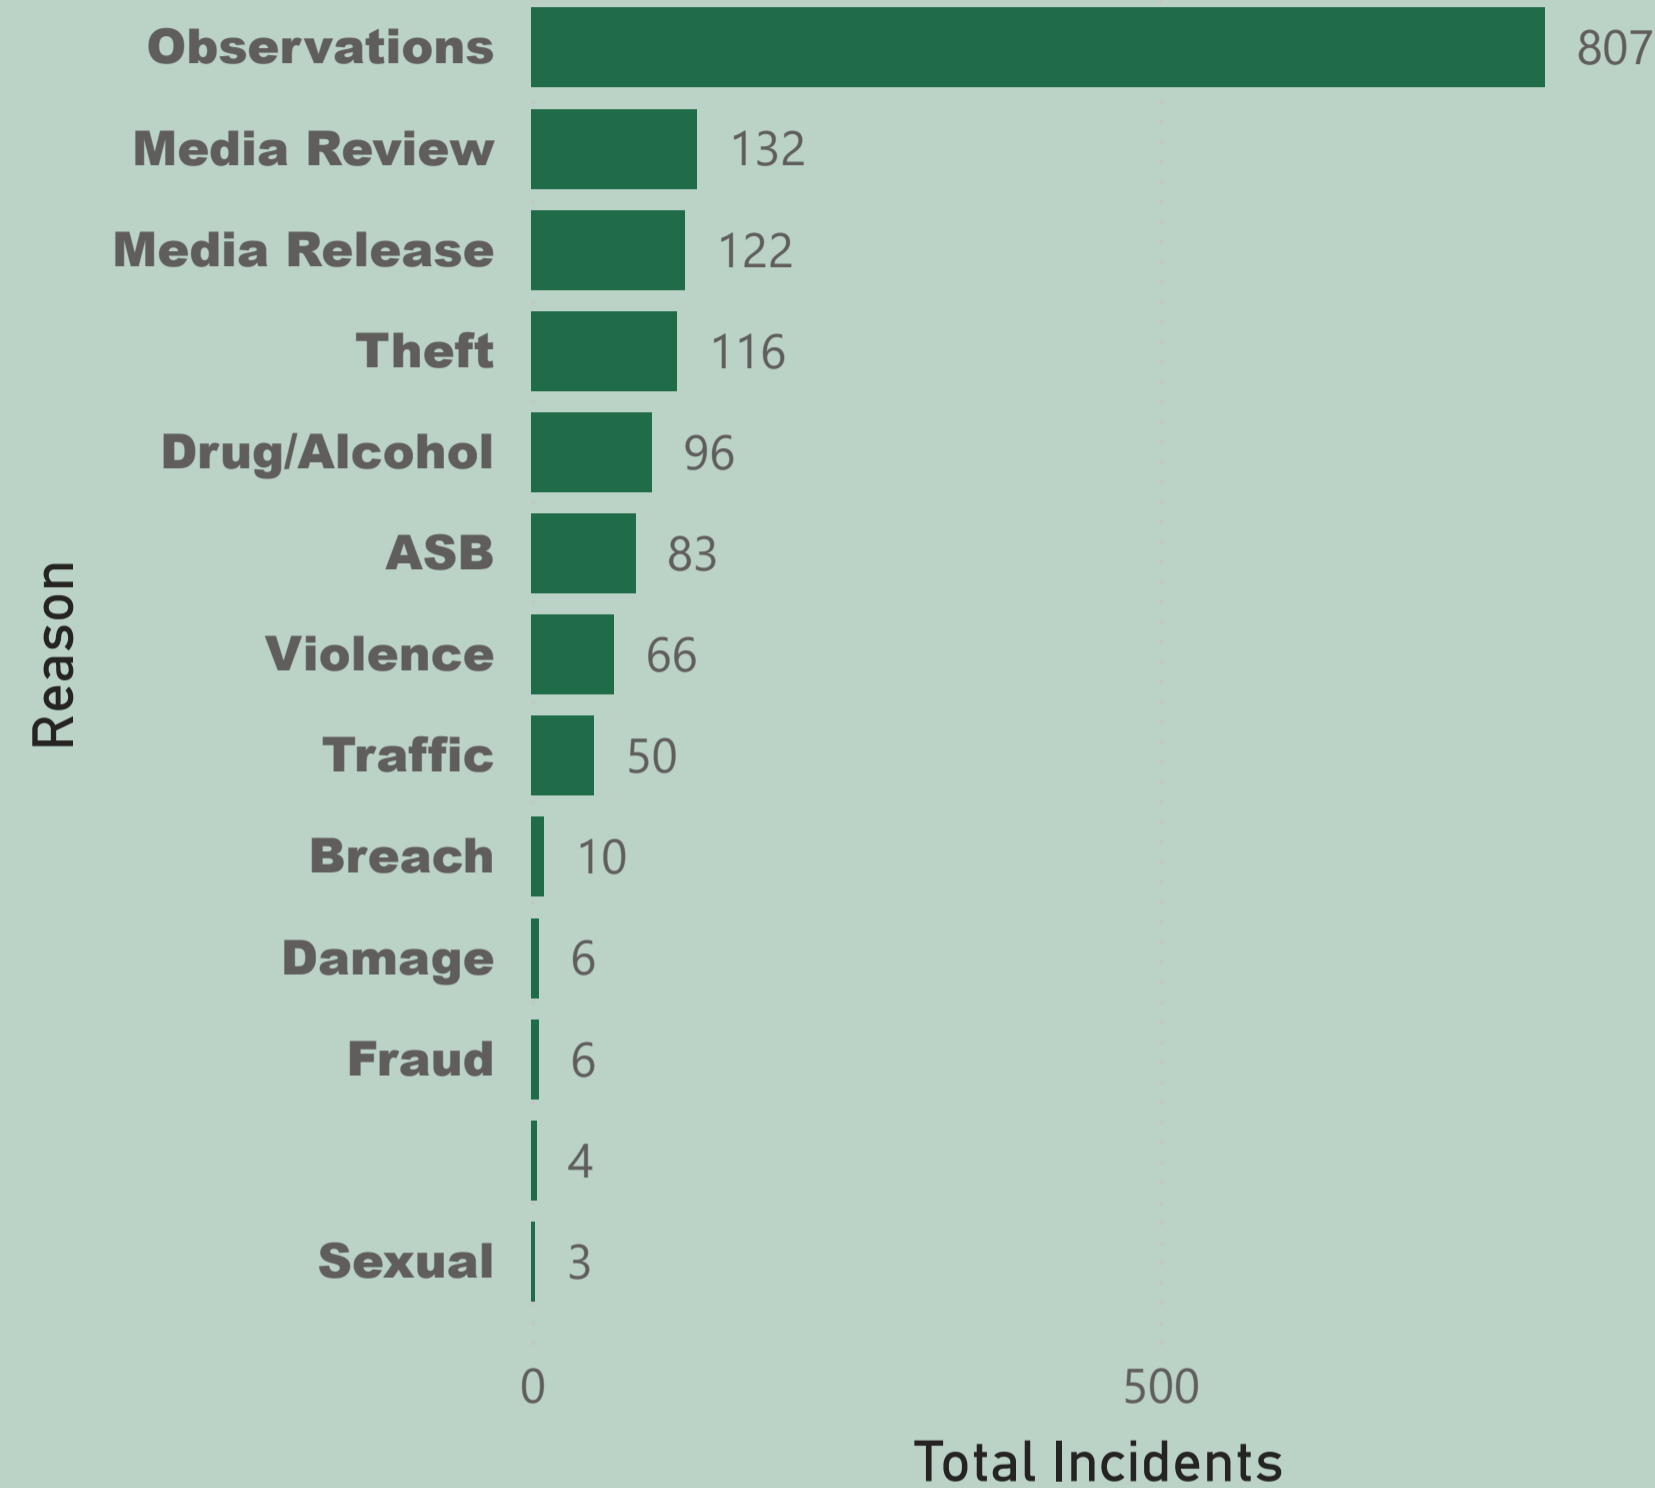

Overleaf are the statistics provided by CCTV for Qtr. 1 and 2 of this financial year.

A CCTV representative was requested to attend the meeting however the response was 'we tend not to attend meetings from the second week of December to the first week of January as we push all our resource to the Control Room'.

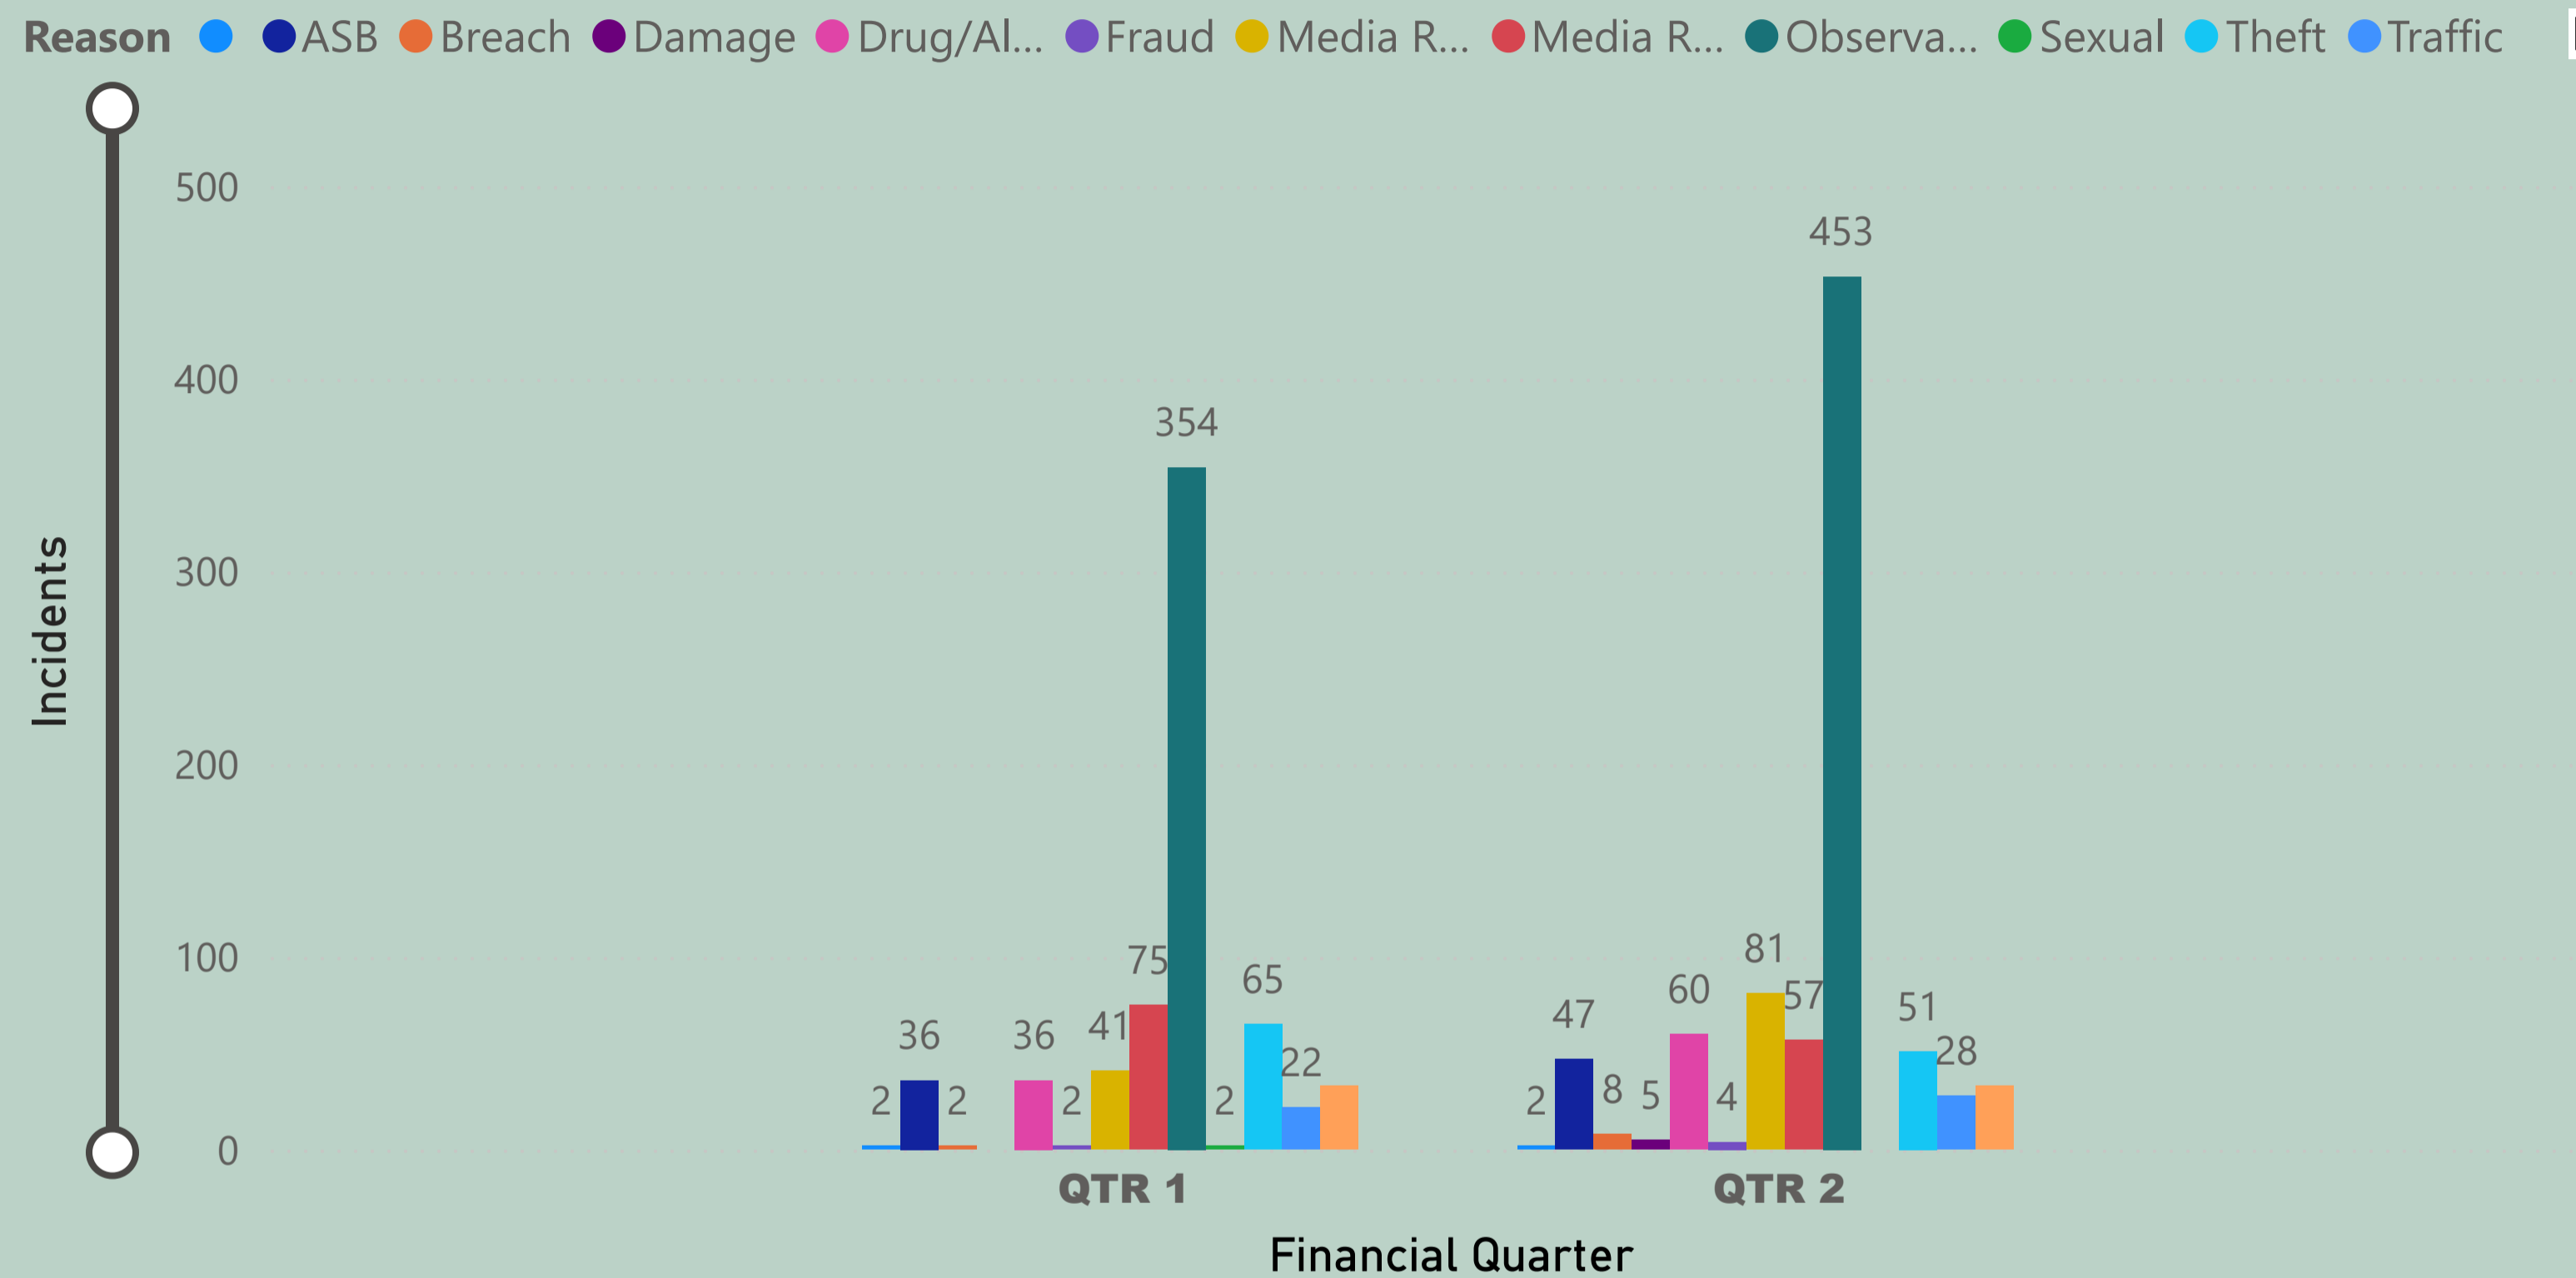

The clerk did request for case studies however they have not been provided only the statistics.

I was assured that our 2nd mobile camera will be fitted at the underpass near the Travelodge on Monday (9th December 24).
