

## **Report Purpose:**

Parks and Play Areas

### **Author**

Town Clerk

### **Updates**

ANSA have tendered for a 'showstopper' piece of equipment for West Park, including the £25,000. Once the decision is made, with lead time and installation it is hoped it will be in place for summer.

ANSA have also met with Bollinbrook and Tytherington ward Councillors, to discuss and plan for Holcombe and Sandwich drive. This is currently out for procurement.

As we approach the new financial year (25/26), Ansa have shared what facilities can be upgraded on this ward. Once ward Councillors have decided a report for approval and cost will come to Full Council.
