Therefore, when requested, you are asked to complete the below form and return to the Assistant Town Clerk. The form will be shared with the Finance Committee and in the committee reports which are put onto our website.

We are requesting an interim progress report.

Have you made any progress on your project so far? If so, tell us about this below:

We have started to purchase items such as bike lights, locks and puncture repair outfits. With it being winter the young people have not really worked on the bike's outside. As the weather improves, we plan to take the project further.

What have you learned from so far from this project?

Young people did not seem to understand the importance of having lights on their bikes at night.

When do you expect the project to be complete?

I think the project will be ongoing as I would like to ensure that all young people have the skills and opportunities to keep their bicycles in good repair.
