

Report Purpose:

To update members on the recent donation to ROAR (Reach Out and Recover)

Author:

Assistant Town Clerk

Background

ROAR approached Macclesfield Town Council in early December 2024 to ask if the council would consider donating towards the cost of a Christmas Day lunch at the United Reformed Church for all in need of company and a meal on the day.

The town council donated £850 to cover the cost of food and gifts for each person attending.

Outcome

120 people attended the Christmas day lunch and each received a Christmas meal and a gift. This included 20 meals provided to the NHS district nurses who distributed to people in the community who couldn't leave their homes on the day.

20 volunteers gave their time on Christmas Day to help.

ROAR send their thanks to Macclesfield Town Council for the support.
